Main options

- `numbering`: include slide numbers in the (right) footer
- `numbertotal`: include slide number and total number of slides in the (right) footer
- `toc`: include a table of contents at the beginning of each section and include the section title in the (right) footer.
 - If this option is not selected but the user defines sections in the document, headings will show up in a separate slide at the beginning of each section and no section title will appear in the footer.
- `wide`: change the aspect ratio of the slides from 4:3 (default) to 16:9
